

Adapt IHT Service
Terms and Conditions

1. The Agreement

The Application Form, the Adapt IHT Service Brochure and these Terms & Conditions constitute the Agreement, which shall be governed by, and construed in accordance with, the laws of England and Wales, and the appropriate Court of Law in England is to have exclusive jurisdiction in relation to all matters, claims and disputes arising out of or in connection with the Agreement. No other documentation or literature can be used as part of this Agreement.

2. The Services

The Adapt IHT Service Brochure describes the services we will provide to you. Blackfinch Investments Limited is authorised and regulated by the Financial Conduct Authority (firm registration number 153860) with permission to manage investments on a discretionary basis and arrange deals in investments.

The intention is to invest your portfolio in assets that benefit from Business Relief. However, you should note that we are unable to give any guarantees or assurances that such assets are, or will remain, qualifying.

3. The Assets

The assets held within your portfolio will be held by Blackfinch Investments Limited either through its nominee company or an eligible custodian. Any cash within your portfolio will be held by Blackfinch Investments Limited through an approved bank in accordance with clause 4. Assets held on your behalf, including investment certificates will be registered in the name of our nominee company. We will, in accordance with the FCA rules keep records to show the beneficial owner of the assets.

By entering into this agreement, you hereby authorise Blackfinch to act on your behalf and exercise all rights (including voting rights) attaching to the assets held in your portfolio as follows: if we have express instructions from you, we will follow them and vote or exercise rights accordingly; if we do not have express instructions from you we will exercise rights (including voting rights) on your behalf as we see fit using our discretion.

Our nominee company, as soon as reasonably practical, will claim and account for all dividends, interest and other payments or entitlements received in your portfolio, but is entitled to deduct or withhold any sum on account of any tax required to be so deducted or withheld and provide you with evidence of such deduction or withholding for your tax records.

4. Your Money

We will deal with your money in accordance with the client money regulations of the FCA. You grant to us the right (following your initial investment or any further investments) to hold your uninvested cash in a client bank account pending investment. We will not pay interest on money held in our client bank account unless we notify you otherwise.

After termination of this Agreement, we may, subject to the applicable rules, retain your money for our own discretion if it remains unclaimed for a period of at least six years and provided that we have taken reasonable steps to trace you and return the balance.

5. Investor Classification

Unless you indicate otherwise on the Application Form, you will be categorised as a retail client in accordance with the FCA rules.

6. Complaints

We endeavour to deliver a first-class service to our clients, but we recognise that there may be occasions when we fail to meet your expectations. If you have a complaint, then you can contact us by phone on: 01452 717 070 or by post at: Blackfinch Investments Limited, 1350-1360 Montpellier Court, Gloucester Business Park, Gloucester, GL3 4AH. You may request a copy of our complaints-handling procedure at any time. Complaints that we are unable to settle may be referred to the Financial Ombudsman Service (“FOS”). The FOS is an independent service set up to resolve disputes between customers and businesses providing financial services. The FOS can be contacted at: Exchange Tower, Harbour Exchange, London, E14 9SR and further information about the FOS may be found at www.financial-ombudsman.org.uk.

7. Financial Services Compensation Scheme

We are a participant in the Financial Services Compensation Scheme (the "FSCS"). As a retail client, you may be eligible to claim compensation from the FSCS in certain circumstances if we, any approved bank, our nominee company or eligible custodian are in default. Most types of investment business are covered in full for the first £85,000 of any eligible claim. Not every investor is eligible to claim under this scheme: for further information, please contact us, or the FSCS directly at www.fscs.org.uk.

8. Charges and Fees

Our Charges and Fees for the Adapt IHT Service are as stated in the Application Form and the Adapt IHT Service Brochure. The Blackfinch Initial Charge will be deducted and you authorise us to make such deduction from any cash in your portfolio at such intervals as stated in the Adapt IHT Service Brochure.

9. Discretionary Authority

You grant Blackfinch the full authority to manage your portfolio at our sole discretion and without prior reference to you or your Financial Intermediary. We will acquire for your portfolio assets which Blackfinch reasonably believes at the time to be Qualifying Investments. We will abide by more specific investment objectives and restrictions (if any) that we commit to in the Adapt IHT Service Brochure. Where we provide information on the initial investment portfolio composition, this will not inhibit our ability to buy alternative investments or sell the initial investments without seeking your consent. We will, typically acting as your agent, buy and/or sell one or more assets and otherwise act as we think appropriate in relation to the management of the portfolio, but subject always to the provisions of this Agreement. If we have express instructions from you, we will follow them and act (including as to the exercise of any voting rights), but provided we have provided you with information about a proposed corporate action requiring shareholder consent, we shall not be required to seek your voting instructions. If we do not have express instructions from you, we will act (including as to the exercise of any voting rights) on your behalf using our discretion.

You should note that any sale of assets by us may trigger tax consequences about which you should speak to your Financial Intermediary or tax adviser.

We are not responsible for advising you about the taxation consequences for you of any transaction.

10. Advised and Non-Advised Services

Where you have applied on an advised basis, you acknowledge that Blackfinch Investments Limited has not provided you with any investment advice and that your Financial Intermediary alone is responsible for assessing the suitability of investment in Adapt IHT Service in light of your personal circumstances.

We shall rely on the Financial Intermediary's assessment of suitability in order to make investments on your behalf. If any of your investments redeem more than a year after the initial investment, we shall require additional confirmation that any follow-on investment would be suitable for you prior to making such a follow-on investment. If we do not receive such confirmation, we will hold the proceeds from your investment for you in cash pending your instructions to distribute it.

Where you have applied on a non-advised basis, we shall assess the suitability of investment in Adapt IHT Service for you in light of your investment knowledge, investment objectives and risk tolerance. You shall be responsible for the accuracy and completeness of the responses you provide to us in your application and we may rely on that information in order to make our assessment without further enquiry. Our assessment of suitability shall relate to the acquisition of investments comprising your initial investment portfolio. These initial investments may be held until disposal with a view to distributing cash to you. If any of your investments redeem more than a year after the initial investment, we shall, prior to making a follow-on investment, require additional confirmation that such a follow-on investment continues to be suitable for you in your current circumstances. You authorise us to hold any investment proceeds as cash pending your provision of such confirmation or instructions to pay the cash to you.

We do not provide tax advice and recommend that you seek such advice from an appropriately qualified professional if you are in any doubt about the application of the tax regime to your personal circumstances.

If we do provide you with information on particular investments, markets (such as market trends), or the performance of selected companies; this should not be viewed as a personal recommendation or advice and is provided strictly for your information only. We shall not be liable for any losses you suffer or incur as a result of acting or deciding to act on the advice or recommendation of any third party (including your Financial Intermediary) in relation to our services.

In the absence of any proposal to make a follow-on investment, you acknowledge that it is your responsibility (or the responsibility of your Financial Intermediary) to keep your financial circumstances, objectives and appetite for risk under review, and to assess whether the Adapt IHT Service remains suitable for your needs.

11. Portfolio Valuations and Reporting

You will receive quarterly statements, comprising the cost and current value, of all underlying assets within your portfolio. These periodic statements will also show fees charged or accrued by Blackfinch (and its group companies) and transactions made within the period.

12. Basis of Valuations

Valuations of the investment in the periodic statements will be based upon what Blackfinch believe to be suitable valuation techniques of the underlying trading companies. The performance of the portfolio will not be measured against any stock market or index

13. Your Financial Intermediary Fees

Your Financial Intermediary should have disclosed to you the total fees that relate to the advice or service that they gave to you in respect of your investment in the Adapt IHT Service.

Blackfinch may take, or procure the making of, facilitation payments in respect of fees you have agreed with your intermediary on your behalf as detailed in the application form. Any Initial Intermediary Fees would be deducted from the amount of cash that you subscribe before the balance is invested in your portfolio. The amount taken will be agreed between you as the investor and your Intermediary.

If you have agreed to pay for your Intermediaries fees on an ongoing basis, we will continue to facilitate the payment of the Ongoing Intermediary Fees until you give us further instructions or until the value of your portfolio is nil.

You have the right to cancel the facilitation of Ongoing Financial Intermediary Fees at any time by notice in writing to us.

We will stop facilitating the Ongoing Financial Intermediary Fees as soon as we receive your instruction, but please note that we cannot backdate any instruction to stop paying your Ongoing Financial Intermediary Fees: your instruction to cease facilitating your Ongoing Financial Intermediary Fees will be valid only from the date we receive it, and we will assume that your Financial Intermediary is entitled to receive the fees that you have authorised up to the date that you withdraw your authorisation, and we will make arrangements to pay any accrued Ongoing Financial Intermediary Fees from the investee companies.

Once we have processed the fee and paid your Financial Intermediary, we are not entitled to recover it, so you will need to take the matter up directly with your Financial Intermediary.

You may also request that facilitation of an Ongoing Financial Adviser Fee to be paid to a new Financial Intermediary who is advising/servicing you in relation to the IHT Service in place of the previous Financial Intermediary. Any such request must also be submitted in writing to us.

We will stop facilitating the previous Ongoing Financial Intermediary Fee as soon as we receive your instruction, but we will make arrangements to pay any accrued fees up to that date (on a pro rata basis).

The Ongoing Financial Intermediary Fees will start accruing to the new Financial Intermediary from the date that we receive your instruction.

If you cancel your Financial Intermediaries ongoing service, you also need to tell us to cease paying your Financial Intermediary. If you do not have a new Financial Intermediary to replace the advice/servicing to you in relation to the IHT Service and inform us that you are not replacing your Financial Intermediary, we will refund any fees held back to you in the way of additional share holdings.

14. Withdrawal from the Service and Transfer of Securities

You may request Blackfinch to terminate the provision of its services to you under this Agreement at any time on giving one month's written notice. Ordinarily, we would anticipate that shares held within your portfolio could be sold to new investors at this point, which should take two to four weeks. However, it is not guaranteed that there will be a market for the securities held in your portfolio and it may not be possible for us to sell your investments. In such cases, we will need you to notify us who the custody of the investments should be transferred to. Please note that we shall continue to charge our fees to the investee companies even if you withdraw from the service.

You may also request Blackfinch to transfer the securities in your portfolio to another person or to attempt to source a buyer for your securities, provided that such transfer would not jeopardise the IHT status of the investee companies involved. If a buyer can be found for your securities, Blackfinch will continue to charge its fees to the investee company.

Subject to clause 15, to the extent that your portfolio comprises uninvested cash, you may request termination of this Agreement at any time by providing one month's written notice to us unless the cash has already been committed to investment or is committed to investment within that month.

On termination of this Agreement under this clause 14:

(a) all of the fees set out in the Adapt IHT Service Brochure shall remain payable and those parties entitled to the reimbursement of costs or expenses under this Agreement or the Brochure shall remain so entitled notwithstanding the termination of this Agreement;

(b) the Investments (including any cash) will be transferred into your name (or, subject to you providing us with information we require to comply with our anti-money laundering obligations, into such other name as you may direct) and you will be liable to pay the cost of any such transfers;

(c) we may retain and/or realise such Investments as may be required to pay your outstanding liabilities, including any of the fees, costs and expenses referred to above.

Termination will not affect any accrued rights, existing commitments or any contractual provision intended to survive termination and will be without penalty or other additional payments (other than those referred to above).

15. Delegation

Any of our functions under this Agreement may be delegated to an associate or competent (and if relevant, appropriately regulated) third party of our choosing to perform such functions. We may appoint other members of Blackfinch who are suitably qualified to provide investment advisory services to us in respect of your investment. We may also delegate to any associates who are suitably qualified. We will give you written notice of any such delegation which involves the exercise of our discretionary investment management powers and will not, without your consent in writing, delegate the whole or substantially the whole of such powers to a third party. We will act in good faith and with due diligence in the selection, use and monitoring of third party agents and delegates. We will use reasonable skill and care in our selection, monitoring and use of agents.

16. Conflicts of Interest

Blackfinch has implemented a conflicts policy that identifies the types of actual or potential conflicts of interest which affect our business and how these are managed. Our conflicts policy also includes details of any conflicts which, were they to arise, we could not effectively manage. In these circumstances we would not be in a position to provide our services to you. You agree that we or any associate may affect transactions in which we or an associate has directly or indirectly a material interest or a relationship of any description with another party which involves or may involve a potential conflict with our duty to you. We shall ensure that such transactions are effected on terms that are not less favourable to you than if the conflict or potential conflict of interest had not existed. Subject to the terms of our conflicts policy and subject to any contrary obligation under the FCA rules neither we nor any of our associates shall be required to account to you for any profit, commission or remuneration made or received from or by reason of such transactions. It is possible that the underlying activities in which your subscriptions may be invested and the entities which they may fund made deal or co-invest with entities in

which Blackfinch, its associate or their clients have financial interest or to which Blackfinch or its associate provide services. Such interests may include, without limitation, equity investments and/or debt investments and/or our interest as a service provider. Dealings may include the provision of credit facilities on preferred or subordinated terms. Accordingly, we or any member of our group (including any associate) may be entitled to gains, profits or fees from or in relation to such companies and entities.

17. Variation and Assignment

We may, at any time, change the terms of this agreement by giving you written notice. Such amendment will take effect on the date specified in the written notice. For the avoidance of doubt, these changes may impact our fees and charges or the level of service provided.

Blackfinch may amend these terms if it believes it necessary in order to respond proportionately to changes in the applicable rules or decisions of any regulatory authority or to reflect new industry guidance and codes of practice, to comply with changes to law and regulations.

We may also amend the terms of this agreement to reflect changes to our computer or database systems, our administrative processes and procedures, market practice or client requirements and to reflect other legitimate cost increases (or reductions) associated with providing your IHT Service.

You will be given at least 30 days' notice in respect of any changes to these terms, unless the specific circumstances require a shorter or longer period (including, without limitation, where required to do so under the applicable rules). Any amendments will comply with applicable laws and regulations including the FCA rules.

18. Term and Consequences of Termination

This Agreement shall commence from the date your Application Form is accepted and shall continue until terminated by either party.

Please note that if the underlying assets are sold you or the transferee may lose any potential tax benefits (for example

IHT benefits currently only accrue if the investor holds a Business Relief qualifying investment for more than two years).

There are no cancellation rights with this product.

19. Data Protection

We may keep records in which your name and certain personal information will be stored – including products and services you have purchased and use. If you contact us we may keep a record of that correspondence and we may keep copies of any documents that you provide to us including any documents provided for verifying your identity such as your passport or driving license. This means that we will not be liable for any losses that are indirectly associated with the specific incident which has caused you to claim (for example, loss you may incur from not being able to sell assets where the prices of such assets are falling or from not being able to purchase assets where the price of assets are rising, loss which may arise from not being able to complete transactions for your portfolio, loss of profits, loss of business or loss of data).
