Applicant Details

Please confirm whether you would like your funds to be fully invested in the current tax year?

Yes No

Please complete the below only if you have ticked yes to your funds being fully invested in the current tax year.

I confirm that I have read and understood all of the below:

- As you wish to invest the above amount in this tax year, it is possible that your investment may not be spread across at least 10 investee companies, resulting in a reduced number of holdings that will have an impact on diversification within your portfolio, increasing the overall risk of their investment.
- Blackfinch Ventures will aim to invest in at least 10 companies by the end of the current tax year, however this cannot be guaranteed and could be less than 10.
- The level of diversification within my portfolio may be reduced due to a more concentrated portfolio.
- This will result in an increase to the inherent risk to the investment which may have an impact on the targeted returns.
- The continued suitability of the investment taking into account the above points has been assessed by my Financial Intermediary as still achieving my objectives whilst remaining in line with my agreed attitude towards investment risk.
- I can confirm that I am willing to waive the usual diversification features of the portfolio service, in favour of investing more quickly and I am aware of the additional risks a reduced level of diversification brings.

Please note that while Blackfinch Ventures will endeavour to satisfy investors' requirements wherever possible, all allocations will be subject to available capacity.
