PART I - RISK FACTORS

Shareholders should consider carefully the following risk factors in addition to the other information presented in this document. If the risks described below were to occur, they could have a material effect on the Company's business, financial condition or results of operations. The risks and uncertainties described below are not the only ones the Company, the Board or Shareholders will face in relation to the proposals set out in this document. Additional risks not currently known to the Company or the Board, or that the Company or the Board currently believe are not material in relation to such proposals, may also adversely affect the Company's business, financial condition or results of operations. Shareholders should consult a person authorised under FSMA who specialises in advising on investments in shares and other securities in respect of the matters under consideration in this document.

Completion of the Offer is dependent upon the approval by Shareholders of Resolution 1 to be proposed at the General Meeting. There can be no guarantee that this condition will be satisfied and, if Resolution 1 is not passed, the Offer will be withdrawn and the Company will be responsible for the costs of the proposals relating to the Offer, which could amount to approximately £100,000.

As envisaged by the investment policy of the Company, it is intended that risk will be spread by investing in a number of different businesses within different industry sectors using a mixture of securities. The maximum amount currently permitted to be invested in any one company (inclusive of any related group company) is limited to 15% of the value of the portfolio at the time of investment, in accordance with the VCT legislation. If the Offer does not proceed and the Company is, therefore, not able to raise further funds, this may prevent the Company from creating a more diversified portfolio of investments (thereby increasing risk to investors) and inhibit the Company from taking advantage of attractive investment opportunities it believes should become available. It will also limit the Company's ability to make any follow on investments into its portfolio of existing businesses, which might dilute the Company's holdings in those businesses if further funds are raised from elsewhere or constrain the growth of those businesses if they cannot raise any required funding elsewhere which might negatively impact the valuations of Investee Companies.

The current hostilities in the Middle East and Ukraine and, in respect of the latter, the resulting sanctions imposed on the Russian Federation by various countries around the world may have unforeseen, long term and far-reaching consequences for the global economy and the Company's portfolio of investments. In particular, the interruption and/or limitation in the supply of certain natural resources (such as oil and gas) could have a negative impact on the performance of the Company's portfolio of investments.

Dear Shareholder,

Proposals to approve the payment of the Initial Promotion Fee and approve the cancellation of the Company's share premium account.

Introduction

Following on from its successful £15 million fund raise under last year's offer, the Company is looking to raise a further £20 million (with an over-allotment facility of up to a further £20 million) by way of an offer for subscription for Ordinary Shares to existing and new shareholders. Funds are being sought for investment in innovative growth-stage technology-enabled companies in accordance with the Company's published investment policy, to supplement its existing portfolio of 30 businesses, and your Board is firmly of the opinion that raising new capital to allow the Company to make further VCT qualifying investments and expand its portfolio is in the best interests of the Company and Shareholders.

This document explains the proposals to (i) pay a fee to the Company's Promoter, Blackfinch Investments Limited, for using its reasonable endeavours to procure subscribers under the Offer, which is required to be approved by Shareholders under UK Listing Rule 11.5.5R, and (ii) to cancel the Company's share premium account.

The Offer

The Company is seeking to raise £20 million, with an over-allotment facility of £20 million, through the Offer, which will open today. Applications will be made for all of the Ordinary Shares issued under the Offer to be admitted to the Official List of the Financial Conduct Authority and to trading on the London Stock Exchange's main market for listed securities.

The net proceeds of the Offer will be applied in accordance with the Company's published investment policy, which is to invest in innovative growth-stage technology-enabled VCT qualifying companies which are on the path to their scale-up journey. To date, the Company has invested over £27 million into a total of 31 innovative growth-stage technology-enabled businesses across a wide range of sectors.

The Company had a very strong financial year with its NAV per share increasing from 90.85p as of 31 December 2022 to 101.54p at 31 December 2023. This 12% increase was mainly driven by an uplift in the value of the Company's portfolio of investments. Despite challenging market conditions, all but six of the Company's businesses were able to grow their revenues during the year, some by impressive amounts. Examples include Illuma Technology, Client Share Limited and Transport which saw an increase in value, net of additions, from 31 December 2022 to 31 December 2023 of 93%, 70% and 68% respectively.

On 26 April 2024 the Company paid out a maiden interim dividend of 2.5p per Share to Shareholders in respect of the Company's financial year ended 31 December 2023. A final dividend of 2.6p per Share was approved by Shareholders at the Company's annual general meeting held on 6 June 2024 (the "**Annual General Meeting**"), payable on 13 December 2024, which together with the interim dividend, delivered on the Company's intention to pay an annual dividend of 5% of its Net Asset Value from 2024. Delivering on this intention provides important certainty to investors and is supported by the increases in the value of investments evidenced in the Company's latest audited Annual Report and which are expected to be realised in the future. At the Annual General Meeting, shareholders also voted to approve the adoption of a dividend reinvestment scheme which allows existing and new shareholders to elect to apply all or part of any cash dividends they may receive in respect of their Ordinary Shares in subscribing for further Ordinary Shares. The scheme ultimately provides flexibility, optionality and autonomy to the Company's growing shareholder base.

Our Investment Manager, Blackfinch Investments Limited, continues to receive regular investment proposals from UK businesses which are looking for further capital to fuel their growth. In addition, many of the existing Investee Companies have either been well positioned to benefit from changing market conditions, or have successfully adapted to them, and consequently offer tech-enabled products and services that suit the needs of the times, positioning them well for further investment.

Offer Agreement

It is proposed that Blackfinch Investments Limited be appointed as the Promoter of the Offer and, as is customary in the VCT sector, the Promoter charges the Company a fee for using its reasonable endeavours to procure subscribers under the Offer. It is proposed that this fee that the Company will pay to Blackfinch Investments Limited shall be in the amount of up to 5.5% of the monies subscribed for Shares under the Offer less any discounts for early investment (the "**Initial Promotion Fee**").

Accordingly, under an offer agreement (the "**Offer Agreement**") dated 9 September 2024 between the Company, the Directors, Howard Kennedy and Blackfinch, Blackfinch will, subject to the passing of Resolution 1 at the General Meeting, receive the Initial Promotion Fee, out of which Blackfinch will discharge the costs of the Offer.

Under the UK Listing Rules Blackfinch Investments Limited is a related party of the Company, as it acts as the Company's Investment Manager and Promoter. Accordingly, the payment of the Initial Promotion Fee will constitute a "relevant related party transaction" under UK Listing Rule 11.5.5R, being a transaction between the Company and Blackfinch, its Investment Manager. The payment of the Initial Promotion Fee is required to be aggregated under UK Listing Rule 11.5.6R(1) with the Receiving Agent Agreement dated 4 September 2024, details of which are set out at paragraph 5.1.7 of Part III of this Circular, and the latest relevant related party transaction, being the payment of the Initial Promotion Fee is required to be approved by the Shareholders at the General Meeting, under UK Listing Rule 11.5.6R(2). This is the subject of Resolution 1.

General Meeting

Notice of the required General Meeting is set out at the end of this document. The General Meeting will be held at 11 am on 10 October 2024 at No. 1 London Bridge, London SE1 9BG. The Offer is conditional upon Resolution 1 being passed at the General Meeting.

An explanation of the Resolutions is set out below:

Resolution 1 is an ordinary resolution to approve the payment of the Initial Promotion Fee to Blackfinch, details of which are set out under the heading "**Offer Agreement**" on page 8 above, in accordance with the UK Listing Rules as Blackfinch is a related party under those rules and the payment of the Initial Promotion Fee is a "relevant related party transaction" under UK Listing Rule 11.5.5R. Blackfinch is not a Shareholder and will not, therefore, vote on this Resolution 1 at the General Meeting and, as a related party to the Company under the UK Listing Rules, has undertaken to take all reasonable steps to ensure that its associates (as defined in the UK Listing Rules) will not vote on this Resolution 1 at the General Meeting.

Resolution 2 is a special resolution to cancel the share premium account of the Company at the date an order is made confirming such cancellation by the Court, to create a pool of distributable reserves, in accordance with the CA 2006.

Resolution 1, being an ordinary resolution, requires the approval of a simple majority of 50% of the votes cast in respect of the resolution. Resolution 2, being a special resolution, requires the approval of 75% of the votes cast in respect of the resolution.

However, before taking any action, you are recommended to read the further information set out in this document and to seek advice from your independent financial adviser who specialises in advising on the acquisition of shares and other securities.

If you are a Shareholder who has elected for notifications of communications by post you will receive with this document the form of proxy for use at the General Meeting. If you are a Shareholder who has opted for electronic communications, then you will have been sent an email which includes information on how to appoint a proxy on-line.

Whether or not you propose to attend the General Meeting, you are requested to complete and return the relevant forms of proxy so as to be received not less than 48 hours before the time appointed for holding of the General Meeting (excluding weekends and public holidays). Completion and return of a form of proxy will not prevent you from attending and voting in person at the General Meeting should you wish to do so. As an alternative to completing and returning a form of proxy by post or by hand, you may appoint a proxy electronically through the Registrar's online proxy voting application at <https://blackfinch.ventures/vct> (the "Proxy Voting App"). You will need your City investor number (CIN) and your "Access Code" which may be found either on the form of proxy or in the email sent to you by the Registrar.

In the Board's opinion the Resolutions are in the best interests of the Shareholders as a whole. Dr Nic Pillow is a director of the Company and an employee and senior ventures manager of the Investment Manager, which is a related party of the Company under the UK Listing Rules. Accordingly, Dr Nic Pillow has not taken part in the Board's consideration of Resolution 1.

Initial Promotion Fee

The Board consider that the payment of the Initial Promotion Fee is fair and reasonable as far as the Shareholders are concerned, the Directors having been so advised by Howard Kennedy, as Sponsor to the Company. In providing this advice, Howard Kennedy has taken into account the Directors' commercial assessment of the terms of the Offer Agreement relating to the payment of the Initial

Promotion Fee. Dr Nic Pillow, for the reasons stated in the previous paragraph, has not taken part in the Board's consideration of Resolution 1 relating to the payment of the Initial Promotion Fee.

Accordingly, the Board recommends Shareholders to vote in favour of the Resolutions at the General Meeting. Dr Nic Pillow, as a director of the Company and an employee of the Investment Manager, will not vote on Resolution 1 at the General Meeting in respect of his holding of Ordinary Shares in the Company as he is not an independent Shareholder. The other Directors intend to vote in favour of all the Resolutions in respect of their own beneficial holdings of, in aggregate, 5,087 Ordinary Shares (representing approximately 0.012% of the issued share capital as at 6 September 2024). Blackfinch does not hold any shares in the Company and, therefore, it will not vote on Resolution 1 at the General Meeting. Blackfinch has also undertaken to take all reasonable steps to ensure that its Associates will not vote on Resolution 1 at the General Meeting.

Yours sincerely

Peter LR Hewitt, Chairman

Blackfinch Spring VCT plc

Notes:

- a) Any member of the Company entitled to attend and vote at the General Meeting is also entitled to appoint one or more proxies to attend, speak and vote instead of that member. A member may appoint more than one proxy in relation to the General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy may demand, or join in demanding, a poll. A proxy need not be a member of the Company but must attend the General Meeting in order to represent his appointor. A member entitled to attend and vote at the General Meeting may appoint the Chairman or another person as his proxy although the Chairman will not speak for the member. If you are not a member of the Company but you have been nominated by a member

of the Company to enjoy information rights, you do not have a right to appoint any proxies under the procedures set out in these Notes. Please read Note (i) below. Under section 319A of the CA 2006, the Company must answer any question a member asks relating to the business being dealt with at the General Meeting unless:

- answering the question would interfere unduly with the preparation for the General Meeting or involve the disclosure of confidential information;
 - the answer has already been given on a website in the form of an answer to a question; or
 - it is undesirable in the interests of the Company or the good order of the General Meeting that the question be answered.
- b) To be valid, a Form of Proxy and the power of attorney or other written authority, if any, under which it is signed or an office or notarially certified copy or a copy certified in accordance with the Powers of Attorney Act 1971 of such power and written authority, must be delivered to the Company's Registrar, The City Partnership (UK) Limited, The Mending Rooms, Park Valley Mills, Meltham Road, Huddersfield HD4 7BH, or submitted electronically through the Proxy Voting App, not less than 48 hours (excluding weekends and public holidays) before the time appointed for holding the General Meeting or adjourned meeting at which the person named in the Form of Proxy proposes to vote. In the case of a poll taken more than 48 hours (excluding weekends and public holidays) after it is demanded, the document(s) must be delivered as aforesaid not less than 24 hours (excluding weekends and public holidays) before the time appointed for taking the poll, or where the poll is taken not more than 48 hours (excluding weekends and public holidays) after it was demanded, be delivered at the meeting at which the demand is made.
- c) In order to revoke a proxy instruction a member will need to inform the Company by sending a signed hard copy notice clearly revoking the proxy appointment to the Company's Registrar, The City Partnership (UK) Limited, The Mending Rooms, Park Valley Mills, Meltham Road, Huddersfield HD4 7BH or, for members who have voted through the Proxy Voting App, by logging in to the Proxy Voting App and selecting 'delete' against the proxy instruction they wish to revoke. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by The City Partnership (UK) Limited before the General Meeting or the holding of a poll subsequently thereto. If a member attempts to revoke his or her proxy appointment but the revocation is received after the time specified then, subject to Note (d) directly below, the proxy appointment will remain valid.
- d) Completion and return of a Form of Proxy will not preclude a member of the Company from attending and voting in person. If a member appoints a proxy and that member attends the General Meeting in person, the proxy appointment will automatically be terminated.
- e) Copies of the Directors' letters of appointment, a copy of the amended Articles (marked up to show the proposed changes) and a copy of the current Articles will be available for inspection at the registered office of the Company during usual business hours on any weekday (Saturday and public holidays excluded) from the date of this notice, until the end of the General Meeting for at least 15 minutes prior to and during the meeting.

- f) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company has specified that only those holders of the Company's shares registered on the Register of Members of the Company as at close of business on 8 October 2024 or, in the event that the General Meeting is adjourned, on the Register of Members at close of business two days prior to any adjourned meeting, shall be entitled to attend and vote at the General Meeting in respect of such shares registered in their name at the relevant time. Changes to entries on the Register of Members after close of business on 8 October 2024 or, in the event that the General Meeting is adjourned, on the Register of Members after close of business two days prior to any adjourned meeting, shall be disregarded in determining the right of any person to attend and vote at the General Meeting.
- g) A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
- h) As at 6 September 2024, the Company's issued share capital comprised 42,340,575● Ordinary Shares. The total number of voting rights in the Company as at 6 September 2024 is 42,340,575. The website referred to above will include information on the number of Shares and voting rights.
- i) If you are a person who has been nominated under section 146 of the CA 2006 to enjoy information rights ("**Nominated Person**"):
- you may have a right under an agreement between you and the member of the Company who has nominated you to have information rights ("**Relevant Member**") to be appointed or to have someone else appointed as a proxy for the General Meeting;
 - if you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Member to give instructions to the Relevant Member as to the exercise of voting rights;
 - your main point of contact in terms of your investment in the Company remains the Relevant Member (or, perhaps your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.
- j) A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, the proxy will vote or abstain from voting at his or her discretion. The proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the General Meeting.
- k) Except as provided above, members who have general queries about the General Meeting should call Blackfinch on 01452 717 070 (no other methods of communication will be accepted).
- l) Members may not use any electronic address provided either in this notice of the General Meeting, or any related documents (including the Chairman's letter and proxy form), to communicate with the Company for any purposes other than those expressly stated.
